DESIGNER RUGS.

Ken Done

To mark its 40th anniversary, Designer Rugs has partnered with iconic Australian artist Ken Done on an exclusive collection of five handknotted rugs. Cadmium Coral Head, December Beach, Jade Coral Head, Big Black Reef and No. 8 translate his beloved paintings of beaches and reefs into 100% wool, preserving the vivid color and expressive brushwork that define his art.

Together, artist and studio refined each palette and composition with meticulous care, ensuring every brushstroke translated seamlessly into handknotted wool.

Each design tells its own story , from the sun-drenched hues of Cadmium Coral Head to the abstract drama of Big Black Reef.

Ken Done himself was delighted with the results: “The attention to detail and the accuracy of the colours was perfect.”

Above all, this collection celebrates the joy of living with art. As Done says, “Art should be available to everyone, whether it’s on your wall, your floor or yourself!” Each rug, measuring 240 × 300cm, brings a gallery-worthy statement to your home.

Please note that the colours of the rugs in the photography may vary slightly due to screen settings. For an accurate representation, we recommend viewing physical samples at your nearest showroom.
